Additional Compensation

1. Bargaining unit members on (9) nine-month appointments are eligible for additional compensation during the (3) three summer months. If federal funds do not cover the full summer month's time, then unit member can earn whatever compensation is available for the months not covered by federal funds or existing UConn salary. Specifically, extra courses outside the (9) nine-month appointment responsibilities can exceed 12/12<sup>th</sup> compensation and will be paid directly to the member.
2. Bargaining unit members receiving federal funding for the full (3) three summer months must deposit earnings a department fund used for research and equipment and purchases.
