PARKING

35.1 The UConn-AAUP will have a representative on the Parking Transportation Advisory Committee. Bargaining unit members will be afforded one “free” ticket per semester where it can be demonstrated that the member had paid for parking and none was available (handicapped, parking on grass surfaces not designated for parking, and fire lanes excluded).

35.2 Annual Increase:

The University has the right to increase parking fees in the existing Storrs rate schedule as follows. The annual increase does not apply to adjuncts. Those increases are in Section 4.

~~The Parties agree that commencing on July 1, 2017 and~~ At the beginning of each subsequent fiscal year ~~thereafter~~, parking fees for all types of permits in a given fiscal year shall be increased by a factor equal to the ~~1/2 of the~~ annual percentage increase in base salary exclusive of merit rounded to the nearest whole dollar amount effective that same fiscal year. The percentage increase shall be applied to the parking fee in effect at the time of the annual increase. In any year there is zero percent (0%) increase to the base salary, ~~other than the fiscal year commencing July 1, 2016~~, there will not be an increase in the parking rate.

The University will maintain designated Area 3 parking as free for bargaining unit members.

35.3 Area 2 Sliding Scale:

A. Bargaining unit members shall be eligible to purchase Area 2 parking permits at a reduced cost according to a sliding scale based on base salary:

<u>Percentage of Area 2 Rate</u>	<u>Base Salary</u>
50%	Up to \$50,000 60,000-53,561 <u>\$57,400</u>
75%	\$50,001-\$75,000 60,001-85,000-53,562 - 80,342 <u>80,342 \$57,401 - \$86,100</u>
100%	\$75,001 85,001-80,343 <u>\$86,101</u> and up.

B. At the beginning of each fiscal year, the base salary in the Area 2 sliding scale will be increased by a factor equal to the annual percentage increase in base salary exclusive of merit rounded to the nearest whole dollar amount effective that same fiscal year. In any year there is a zero percent (0%) increase to the base salary, there will not be an increase in the base salary in the sliding scale.

35.4 Adjunct Faculty

~~Area 2 parking fees for adjunct faculty shall not be increased until July 1, 2019. Commencing on July 1, 2019 and~~ At the beginning of each subsequent fiscal year thereafter, parking fees for adjunct faculty shall be increased by a factor equal to the same ~~½ of the~~ percentage increase in the same fiscal year as the adjunct base rate specified in Article 19. In any year there is a zero percent (0%) increase to the base salary, there will not be an increase in the parking rate.

35.5 Regional Campuses:

The University will provide Area 2 ~~and 3~~ parking for all faculty at regional campuses. Parking rates at campus locations other than Storrs, except as noted below, shall be the same as the Area 2 ~~and 3~~ rates at the Storrs campus. Bargaining unit members purchasing parking permits at the campus at which they are primarily employed shall have the parking permit honored at comparable or lesser types of parking at other campuses when travelling to such locations for University business.

The University reserves the right to also provide non-Area 2 parking at any campus. If non-Area 2 parking is made available to bargaining unit members, the rates will be negotiated with UConn-AAUP, except as provided for in Article 35.6.

35.6 Parking Garages

~~A. Garages Opened On Or Before June 30, 2022. If a new parking garage is to be opened prior to the end of this Agreement, the parties will negotiate the impact of a change in the rate structure prior to the opening of the garage.~~

For parking permits in garages opened on or before June 30, 2022, at the beginning of each fiscal year, the University may increase the parking fees by the amount percentage provided for in Article 35.2, plus an additional percentage factor of up to 2% 1% with justification not to exceed the merit pool for the same fiscal year.

B. New Garages Opened On Or After July 1, 2022

~~The University has the right to establish and change parking fees in new parking garages opened or first made available to members of the bargaining unit on or after July 1, 2022. The University will notify the UConn AAUP of the parking fees for new garages and any changes to fees at least 30 days prior to its effective date. If requested by the UConn AAUP, the University will negotiate the impact of parking fees at new garages but is not required to negotiate the decision to establish or change the parking fee.~~
