Side Letter re: Moving Teams into Tier 1

The University has raised a desire to move NCAA Team Sports from one Tier to another. Without waiving or conceding either party's position on whether it is a permissive or mandatory subject of bargaining, and consistent with Article 37.9, following a negotiated agreement with UConn-AAUP, teams may move from one tier to another. The parties also agree to meet at a time, place and manner mutually agreeable to the parties and to convene not later than ~~October 1,~~ 2022 July 1, 2022.

A handwritten signature in black ink, appearing to read "Michael A. Smiley".
